

Sectors

Our mature team of Field Sales Engineers have sector specific experience in areas including rail, transmission and events to ensure that we're offering you the most relevant advice.

[Events and Festivals](#)

Last year, over 25 million people walked safely across TPA's portable roadway system to access some of the UK's biggest events and festivals.

[Rail](#)

From landslips and derailments to scheduled maintenance and repairs, TPA portable roadways have the equipment, the people and the know-how to keep you on track.

[Transmission](#)

TPA's unrivalled experience in providing access solutions to the transmission sector has helped us to seal ongoing contracts with the UK's largest transmission networks.

[Construction](#)

Whatever the location, whatever the load, TPA have a fleet of solutions to solve even the most challenging of access problems.

[Crane Hire](#)

TPA has a wealth of experience within the crane hire and abnormal loads industry having worked for the majority of companies in this sector. Our portable roadway systems are designed to support cranes in excess of 1,200 tonne capacity.

[Film & TV](#)

Whether you need hard standing for vehicles, equipment on location, or safe access for cast and crew, TPA has the solution.

[Portable Buildings](#)

The veteran staff within TPA have unparalleled experience in the portable buildings sector and have been instrumental in the installation of temporary access roads, bridges and stairways for the majority of the key market players.
