

Testimonials

TPA's accelerated growth has been due in part to our 'word of mouth' referrals; highly satisfied clients spreading the news on our behalf. But don't take our word for it - read what some of our selected satisfied clients have had to say...

"I've never seen such a slick and fast install (ever) and the end result was exactly as per the plan. Everyone who saw this operation in progress was blown away! You'd finished laying half a pitch of Ali before the hospitality for the football had finished!"

Roy Morley - Site and Event Logistics

SITE & EVENT LOGISTICS

I would like to put on record and hope it gets to all concerned that your standby crew here at the exhibition have proved to be excellent ambassadors for your company. They have been on call and when required have dealt with any problem. On Tuesday when we had 10mm of rain in three hours they laid spare panels during the show to assist our exhibitors.

Derek W Walder, Operations Manager,
IOG Saltex Exhibition

It was a great relief to know that we had you guys supporting us through this challenge and I hope that you will all be there in a years' time when we do it all over again!! Please pass on my thanks to the rest of your teams, and those of BBC Sport who are really delighted with how well everything went.

John Mason, Head of Project Management, Outside Broadcasts
SiS Live

"We have partnered with TPA since 2004 as they have continually demonstrated that their experienced crews are able to deliver on time and on schedule. As the first contractor to arrive on site, and typically the last to leave, they have shown that we can trust that they will not only adhere to our stringent health and safety standards, but have the flexibility to adapt our build and recovery programme should the great British weather turn inclement. No mean feat when you consider that this year they'll install more than 23,000 linear metres for our events!"

Melvin Benn, Managing Director
Festival Republic

"TPA had an excellent first year at The Championships providing the All England Club with first class service and support, both during the build-up period and The Championships themselves. Their trackway is now a leader in the field as they have incorporated several improvements that customers have been requesting from other suppliers for several years. All users of the tracked areas commented on the more user-friendly environment created by the improved aluminium surface and accessories. We hope to continue this relationship in the future with a company that seems to listen to its customers."

John Cox, Buildings and Services Manager
The All England Lawn Tennis Club

"Thank you for being part of making Cereals this year such a success. We had a great attendance of 25,300 people over the two days. A superb show in spite of the weather! You and your team played a large part in bringing the event together and we hugely appreciate the efforts given. I hugely appreciate your rapid response to our predicament on the first day of the event."

Liz Haynes, Operations Manager
Haymarket Business Exhibitions

"On behalf of the RHS Show Tatton Park project team, I wanted to thank you for the excellent service and support you have provided in the planning and delivery of the show this year. It was a challenging year and your team were both helpful and efficient making an important contribution to the success of the event."

Maurice Kiddle, Operations Manager
RHS Show Tatton Park

"Thanks for your help and support in the planning and delivery of the Hampton Court Flower Show. We'd also like to thank Chris personally for the loyalty and commitment you've dedicated to the show and the support you've given to us both"

Carrie & Justine, Operations Managers
RHS Hampton Court Flower Show

A huge thank you to everyone for what was a thunderous premiere yesterday! Conditions were hideous but you helped make the square look incredible. Warner Bros. were thrilled and your hard work is hugely appreciated"
Lucy & Jill, Harry Potter Premiere

"Now the dust has settled I would like to take this opportunity to thank you for all of your hard work this year. Your contribution helped make this Royal meeting a great success.

This year's build up was particularly tough but without your team's help, support and dedication it would have been much worse. Your work here is always appreciated but I wanted to thank you personally for all of the extra effort you put in this year."

John Potts
Ascot Racecourse

"TPA is always my first port of call when I begin working on a new film. You have always been extremely helpful and professional having worked with me on such productions as Gosford Park, Love Actually and the Harry Potter films to name but a few. You are, indeed, an asset to the British film industry!"

Sue Quinn
Location Manager

"Thanks for everything you did on Sunday in the dreadful weather! Despite this the feedback from guests and press has been really good. Leicester Square looked spectacular and certainly took the awards to another level."

Clare & Peter
British Academy of Film and Television Arts

"Just to say a big thank you to TPA for all the effort you put into Oxford - you made it! Well done!"

Joseph and team, Location Department
Warner Bros. (Harry Potter films)

"Many thanks for the 'Top Flight' job! Please pass on my personal thanks to the lads employed on site - a job well done."

Les Wilcox, Project Manager
(Technical Services)
Manchester Airport

"The Traxpanels left the pitch unmarked even with the crane and 10 tonne truck on the tracking together! We were delighted with the results of the system and would not hesitate to use TPA again."

Sean McGarrigle, Facilities Manager
Charlton Athletic F.C
